TASKI® The ULTIMATE Cleaning Machines

AERO 8 FLEXX

Ultimate performance, unmatched versatility.

Meet AERO 8 FLEXX, a missing puzzle in esteemed range of TASKI AERO vacuum cleaners. Harnessing cutting-edge technology, this innovative vacuum cleaner redefines cleaning standards, offering unparalleled performance, safety, and convenience. Powered by breakthrough digital motor technology and a robust Li-Ion battery, this cordless wonder means no compromise. Say goodbye to cable-related hazards and hello to maximum safety and freedom. With market-best 90 minutes of runtime on standard mode and a rapid recharge time of just one hour, you can enjoy uninterrupted cleaning power whenever and wherever you need it. TASKI patented ultra silent whisper technology guarantees as little as 56dB sound level for undisturbed and smooth daytime cleaning experience.

Ultimate performance for maximized productivity

Achieve thorough cleaning with exceptional suction (Air Power 215) in a single pass, saving up to 21% cleaning time by eliminating unproductive plugging/unplugging. Enjoy the market's longest 90-minute battery autonomy and fast recharge for uninterrupted cleaning.

Unmatched versatility

TASKI AERO 8 FLEXX is perfect for narrow spaces, stairs, lifts, mobile & transport places, basically anywhere where electric sockets are scarce and cables are unwelcomed. Equipped with patented TASKI ultra silent Whisper Technology, AERO 8 FLEXX at just 56 dB is your go-to solution for daytime cleaning.

Unrivaled health & safety

Breathe easy, as AERO 8 FLEXX comes with optional HEPA H13 for superior indoor air quality providing a cleaner and healthier environment for all. Say goodbye to cable-related hazard of slips, trips and falls as well as the electric shock hazard.

Sustainability at its core

Up to 20% less energy consumption compared to standard cabled vacuums at similar performance level. With reduced environmental impact and extended machine longevity—boasting a motor life of up to 1500 hours—supported by a two-year warranty for both machine and battery, the AERO 8 FLEXX is a sustainable choice for eco-conscious cleaning solutions.

AERO 8 FLEXX

Ultimate performance, unmatched versatility.

Technical data			
Canister capacity [L]	13	Hose length	2.2 m
Bag type (fleece/paper)	Both	Suction tubes	Metal telescopic
Nominal consumption	550 W	Floor tool width	280 mm
Nominal voltage	36 V	Dimensions	400x280x350 mm
Weight net	5.9 kg	Protection class	Class III
Battery weight	3.5 kg	HEPA filter	H13; H14 optional
Sound pressure level	56 dB (A)	Battery Ah	14.5
Sound power level (boost mode)	58 dB (A)	Dual speed	Yes
Vacuum (max)	20.3 kPa	Battery autonomy (regular / boost)	90 min / 60 min
Max air flow	35 l/sec	Charging time (80% / 100% capacity)	60 min / 90 min
Filtration (stages)	3	Approvals	CE
