Description

Twister is an innovative method for daily floor maintenance that cleans and polishes a variety of protected and unprotected floors by using floor pads prepared with billions of microscopic diamonds. It is a simple, safe, cost efficient and environmentally friendly approach to professional cleaning, producing astonishing results on any type of floor.

Twister Extreme pad enables stripping of floor finishes, stain and etch repair and even light honing of different flooring surfaces. This revolutionary pad is made of PET and natural hair, making it more rigid than an original pad, and will perform exceptionally fast and efficient when stripping and restoring. The Twister Extreme pad is a problem solver for natural stone or concrete floors that have been etched or stained.

Key properties

Strip - up to 4000 m² with one pad

Restore - accelerates etch or stain repairs

Hone - up to 2000 m² with one pad

Instructions for use

1. Dry mop the floor. Dry mopping improves the cleaning result as well as the cleaning economy.
2. Prepare the cleaning machine.
3. Mount the right size of Twister Extreme Pad on a pad holder. The printed side should face the machine and the diamond impregnated side facing the floor.
4. Use appropriate TASKI chemical to improve the result
5. Clean and scrub the floor.

Take care of the pads

1. After use remove the pads from the pad holder.
2. Rinse the pads under tap water and allow to dry.
