

**Discover the 3 steps
to make your floors
shine like diamonds**

What is Twister?

Twister is the **definitive floor care system**. It transformed professional cleaning when it launched in **1989 as the first diamond-embedded pad** on the market.

With **billions of microscopic diamonds** in each pad, Twister delivers unparalleled cleaning and polishing power simultaneously, ensuring **deeper cleaning, a longer-lasting shine, and superior surface protection**.

Our comprehensive **range of diamond pads**, from **aggressive grit for restoration to ultra-fine polish for high-gloss maintenance**, is the gold standard in floor care. With Twister, you can **elevate your floors to an exceptional diamond standard**, no matter the task.

Your benefits with Twister

Excellent Cleaning Performance

Unique synergy with TASKI machines and TASKI chemicals

Enhanced cleaning efficiency (spotless, clean, smooth floors)

Safety

Smooth floor finishes leave no open surface for dirt to adhere, improving hygiene and safety

Reduced slip risk

Brand & Asset Protection

High quality floor appearance in metered gloss, clarity & scratch repair

Reduced need & cost for periodic maintenance & floor restoration

Operational Efficiency

Greater longevity of diamond pads over polyester ones

Simple, color-coded system improves training and standardization

Sustainability

Made from 100% recycled PET bottles

Less packaging vs. Conventional pads

Energy efficiency, reduced water consumption with TASKI machine

Twister is as easy as 1-2-3.
