TASKI® The ULTIMATE Cleaning Machines

TASKI Phantas Extra

Powered by Gausium Robotics
High-performance compact scrubbing & vacuum robot.

When everyday cleaning isn't enough.

TASKI Phantas Extra takes the proven compact and agile Phantas platform to the next level. Designed for more demanding, high-traffic environments like retail stores or airports, it combines increased cleaning performance with greater robustness and autonomous operation.

With higher brush pressure, faster brush rotation and an enhanced cleaning system, Phantas Extra delivers up to 80% higher cleaning performance while retaining the compact footprint and intelligent navigation that make Phantas ideal for complex environments. From supermarkets and grocery stores to other busy facilities, Phantas Extra brings more cleaning power exactly where it is needed.

EXTRA Applications

Phantas Extra combines multiple cleaning applications in one compact robot. It can operate as a scrubber drier for hard-floor cleaning, as a vacuum cleaner for carpeted areas, or as a sweeper and dust mop. Its enhanced cleaning system provides increased mechanical cleaning action, making it particularly suitable for more demanding daily cleaning applications.

EXTRA Cleaning Power

Phantas Extra is engineered for more demanding daily cleaning. Increased brush pressure of 10 kg, brush speeds of up to 1,000 rpm and upgraded cleaning components provide significantly stronger mechanical cleaning action. The result is up to 80% higher cleaning performance* compared with the standard Phantas configuration.

EXTRA Robustness

Designed for high-traffic environments, Phantas Extra incorporates a more robust fresh-water filtration system, magnetic side panels and a reinforced brush unit and mounting. These improvements increase durability and make Extra better suited to intensive daily operation in demanding commercial environments.

EXTRA Autonomy

Combine Phantas Extra with the optional Work Station for autonomous charging, clean-water refill, wastewater discharge and automatic rinsing of key cleaning components. This reduces routine operator intervention and enables longer, more autonomous cleaning cycles.

EXTRA Safety

Safety is our top priority. The Phantas adheres to the latest industry standard, IEC 63327, and is equipped with a comprehensive array of sensors, including LiDAR, cameras, and touch sensors, to effectively avoid obstacles and ensure human safety.

TASKI Phantas Extra

Powered by Gausium Robotics

Technical Data	TASKI Phantas Extra	
Specification	Metric	Imperial
Length (cm / in)	58	23
Width (cm / in)	44	17
Height (cm / in)	62	24
Weight (kg / lb)	65	143
Working Width (cm / in)	33	13
Working Width incl. side brush (cm / in)	46.5	18
Brush pressure (kg / lb)	10	22
Brush speed (RPM / min)	1000	1000
Tank capacity (L / gal)	11	3
Max. productivity / hr (m^2/hr, ft^2/hr)	700	7500
Battery Runtime (hr)	4.5	
Battery Charging Time (hr)	2	
Connectivity	SIM card	
Data storage (cloud or device based)	Both - most on device. Key data, such as cleaning performance and map coverage, is sent to the cloud. Fully offline mode available as option	
Obstacle Avoidance	Yes - with Visual SLAM	
Automated return, empty & refill	Yes - with Work station	
Certification	IEC63327, CE, CB	
Smart Features and Connectivity	• Online fleet & machine management • Analysis on machine runtime and area covered • AI-powered obstacle avoidance • Elevator integration possible • Automated charging • Automated empty & refill with workstation	
Navigation system (sensor array)	2D LiDARs, 3D Depth Cameras, RGB Camera, Anti-drop Sensor, Anti-collision sensor	

Product Description	Product Code
TASKI GS Phantas 1.4 Extra	60070720
TASKI GS Work Station Phantas	9305443
TASKI GS Charging Station Phantas	9293374

Accessories/Services	Product Code
TASKI Robotics Door Opener	60063821
TASKI Phantas Beacon	60063822
Roller Brush Scrubbing (Phantas Extra)	
Roller Brush Sweeping (Phantas Extra)	
Side Brush Soft Rubber (Phantas Extra)	
HEPA Filter (Phantas 1.3 & Extra)	
Water Spray Filter (Phantas Extra)	
Elevator Integration Evaluation	60072646
Full day installation training	1Q900433
TASKI GS PHANTAS Gold 5yr	9293311
TASKI GS PHANTAS Silver 5yr	9312971
